Sooke Family Resource Society Message for Family Resource Program Drop-in Groups

Throughout the summer months, Sooke Family Resource Society (SFRS) Family Resource Program drop-in groups will not be running in-person at both the Sooke and West Shore Child, Youth, and Family Centre buildings (including: Parent-Tot Drop In Groups, Parent Discussion Groups, Family Support Groups).

Please visit us at our YouTube channel to join Circle Time, Crafts, Cooking and Food with our FRP team!

We are working towards re-starting Family Resource Programs in the Fall and will share updated information on our website and through our FRP email distribution list.

If you are in need of Family Support services and/or would like more information about Family Resource Programs and supports, please phone SFRS reception at 250-642-5152 to be connected with a staff member that can help you.
